OUR ROOMS

Restaurant

The restaurant is an attractive space, at the front of our property, with seating for about 50 people. Here you can enjoy a great lunch, dinner or drink.

Gender room

The Gender room is our smallest room, it has a sliding wall so we can create an open space that joins the restaurant. Both on the front and the back of the room there's a terrace which can be reached by big large patio doors.

DOMMEL ROOM

The Dommel room is our largest room.
looking over White Lake.
Adjoining is a covered terrace and through the sliding wall it
can be combined with the Run Room.

RUN ROOM

This space is the smaller brother of the Dommel room.
Just like his big brother, there is a covered terrace, a fixed bar
and large windows that overlook the Witven.

WATERTERRAS

Perhaps our most beautiful space.
Our Water Terrace starts at the beach
and runs about 10 meters into White Lake.
This space is ideal for wedding ceremonies,
summer drinks or a bbq.
